

2018 Youth Sustainability Leadership Program

General Information and Rules

Introduction

To promote the Sustainable Development Goals (SDGs) of the United Nation, and cultivate the future vanguards of sustainability, the CTCI Educational Foundation (CTCIEF) and the Taiwan Institute for Sustainable Energy (TAISE) jointly sponsor the “Youth Sustainability Leadership Program.” This program aims to help college students draw connections between their education and campus life and trends in global environment; Taiwanese undergraduate and graduate students (including international students in Taiwan) interested in sustainable development issues are invited to a four day three night training program. The 36 students that are accepted will study the SDGs principles and work as team to propose SDGs project.

Organizers
